Shock As It's Revealed An Enzyme Called Luciferase Is What Makes Bill Gates Implantable Quantum Dot Microneedle Vaccine Delivery System Work

Bill Gates is building something that we call the Human Implantable Quantum Dot Microneedle Vaccination Delivery System, and it is composed of multiple things. I want to draw your attention to one component, the quantum dot microneedles that will deliver the vaccines, and a very, very unique biochemical that makes it all work. If you're standing up while reading this, you might want to sit down. Today we bring you 'near infrared bioluminescence enzyme luciferase' which is the chemical that will make the quantum dot vaccination readable through a special mobile device app. That's right, the enzyme that will light up Bill Gates Human Implantable Quantum Dot Microneedle Vaccination Delivery System is called Luciferase, that's what makes the vaccination readable long after the victim has been injected. Luciferase.

Bill Gates is building something that we call the Human Implantable Quantum Dot Microneedle Vaccination Delivery System, and it needs an enzyme called

Luciferase in order to make it work. Remove the word ‘human’ and it becomes 666.

With each passing day, it becomes clearer and plainer to those of us who are bible believers that we are living in a very unique time period. So unique, in fact, that we just might be witnessing the [kingdom of Antichrist](#) and the [Mark of the Beast system](#) being assembled before our very eyes. Please note that I use the word ‘might’ out of an overabundance of caution when writing articles like these, but when I am alone with my thoughts I am *completely* convinced that is *exactly* where we are. 100%. The wise shall understand. Ever hear of Luciferase?

“And he said, Go thy way, **Daniel**: for **the words *are* closed up and sealed till the time of the end**. Many shall be purified, and made white, and tried; but **the wicked shall do wickedly**: and none of the wicked shall understand; but **the wise shall understand.**” **Daniel 12:9,10 (KJB)**

Over the past few weeks, we have shown you a massive project by [Bill Gates](#) that is so all-encompassing that it quite nearly beggars belief. That expression is an Old English term which means something that is so unbelievable that it nearly cannot be believed. The Nazi concentration camps [in the Holocaust](#) are a great example of that. When the films of what went on there came to light it was *so* astonishing that it was hard to comprehend such a thing could happen. But happen it did. And what is happening right now, the Antichrist system, is a similarly hard thing to fathom, but here we are.

Bill Gates is building something that we call the Human Implantable Quantum Dot Microneedle Vaccination Delivery System, and it is composed of multiple things. At its center we have the [COVID-19 vaccination](#) that he wants to give every human on earth, there will be quantum dot microneedles, a digital identification mark [from ID2020](#), and a human implantable device for buying and selling cryptocurrency with a [patent number of #060606](#). The digital ID will come in the form of something called an [Immunity Passport](#). All of these things,

and all being funded by one man, Bill Gates, represents in total at the very least a stunning forerunner to the Mark of the Beast world system. That's at the very least estimation, taken to its logical end, it very well could be the actual Mark of the Beast system.

But today, I want to draw your attention to one component, the quantum dot microneedles that will deliver the vaccines, and a very, very unique biochemical that makes it all work. If you're standing up while reading this, you might want to sit down. Today we bring you '[near infrared bioluminescence enzyme luciferase](#)' which is the chemical that will make the quantum dot vaccination readable through a special mobile device app.

That's right, the enzyme that will light up Bill Gates [Human Implantable Quantum Dot Microneedle Vaccination Delivery System](#) is called Luciferase, that's what makes the vaccination readable long after the victim has been injected, and what allows a mere vaccination to function as a mark. Luciferase. Want to see what Luciferase does? Take a look.

PERHAPS IT'S TIME FOR YOU TO ENTER INTO THE NTEB 'MARK OF THE BEAST' ARCHIVE AND SEE HOW CLOSE WE REALLY, TRULY ARE.

One last thing you might find interesting. A sharp-eyed NTEB'er named Matt took our phrase '[Human Implantable Quantum Dot Microneedle Vaccination Delivery System](#)', and removed the word 'human' and guess what? The numerical value of that phrase adds up to 666, see for yourself. Luciferase, remember that word.

Welcome to Now The End Begins, and I think now you see why we say it's the 'front lines of the end times'. Flight #777 preparing for takeoff.

Now The End Begins is your front line defense against the rising tide of darkness in the last days before the Rapture of the Church

When you contribute to this fundraising effort, you are helping us to do what the Lord called us to do. The money you send in goes primarily to the overall daily operations of this site. When people ask for Bibles, we send them out at *no* charge. When people write in and say how much they would like gospel tracts but cannot afford them, we send them a box at no cost to them for either the tracts or the shipping, no matter where they are in the world. Even all the way to South Africa. We even restarted our weekly radio Bible study on Sunday nights again, thanks to your generous donations. All this is possible because YOU pray for us, YOU support us, and YOU give so we can continue growing.

But whatever you do, don't do nothing. Time is short and we need your help right now. If every one of the [14,444+ people on our daily mailing list](#) gave \$4.50, we would reach our goal immediately. If every one of our [149,000 followers on Facebook](#) gave \$1.00 each, we would reach 300% of our goal. The same goes for our [15,300 followers on Twitter](#). But sadly, many will not give, so we need the ones who can and who will give to be generous. As generous as possible.
